

2012-2013 Yearly Costs

In addition to monthly tuition costs, there are a few other things throughout the year to consider for your budget. Here is a tentative list of those items:

- ❖ **Annual enrollment fee** – \$20 due upon enrollment.
- ❖ **Monthly tuition** – due by the 7th of each month.
- ❖ **Christmas T-shirt** – the studio may perform at a local nursing home in December. Each student who participates will be required to purchase a t-shirt to wear for the performance; approximately \$10-\$15.
- ❖ **Recital costumes** – one costume for each recital routine (costs vary). This will be broken down into 2 payments: deposit due in the Fall and the balance due in the Spring (dates TBA). If you choose to pay for the costumes up front, you may do that as well.
- ❖ **Shoes/dancewear** – style and cost will depend on the class. All classes have specific classroom attire... please see the Class Rules for details on attire.
- ❖ **Tights** – ALL ballet classes will be required to wear PINK tights to class. We can order these for you at the studio so please let us know if you need them. In addition to this, all students performing in the recital will be required to buy studio tights for their routine. All ballerina's will wear pink tights and other routines will most likely be tan for recital. You will purchase these from the studio so all of our dancers will have the same color and brand of tights on stage.
- ❖ **Recital fee** - \$30 per family, per year due in the spring. This fee contributes to covering the cost of the facility rental for recital and dress rehearsal. This fee DOES NOT include tickets to the show.
- ❖ **Recital tickets** - \$5 per ticket; may be purchased ahead of time or at the door.
- ❖ **Miscellaneous items** – Make-up, hair accessories, etc.
- ❖ **Optional items** – Recital pictures, recital video, studio apparel, rhinestones, recital program ad, etc.

*Please keep in mind that this is a tentative list to help families plan for added costs. There may be unexpected costs in addition to this, but we try to keep the costs down as much as possible.

*This list does not include the costs for our Company members. Please contact our staff for more info if you are interested in participating in our competitive Company.
