- Summer classes are a 6 week session – beginning July 11th and going through August 24th – with a 1 week break in the middle for Company Auditions on July 31st – August 3rd. 😊
- Please see the 2023 Summer Tuition Scale for pricing – Summer tuition can be paid in full at enrollment, or broken down into 2 payments. First payment is due at the time of enrollment / 2nd payment is due by July 26th.
- Veteran Movement Company Dancers are required to take 4 summer classes – Jazz Tech / Leaps and Turns (L&T) / Flexibility / Combo during the summer. Required Company classes are highlighted in GRAY.
- The Summer schedule includes a few extra class options for Company dancers – Those classes are optional and would be in addition to the required classes if you choose to add those. 😊
- GROUPS (Junior / Teen / Senior) stay the same for the Summer as they were for the Fall / Spring of 2022-2023.
- HOWEVER, if you would like to take classes in the older or younger class from yours, you are welcome to do that in the summer, as long as those class times do not interfere with your required group classes. 😊
- Recreational class options are highlighted in ORANGE, however, recreational dancers can also take part in our Company classes during the summer, IF our staff feels that would be beneficial for your dancer. Please ask our staff if you need help determining which class would be appropriate for your dancer 😊
- If you are interested in our Competitive Company, but worried about the commitment... please check out our NEW Mini Movers flyer!
