- Classes highlighted in **PINK** are FREE! Please see class descriptions for an outline of these classes and all other classes!
- Classes highlighted in **ORANGE** are great options for recreational dancers! Please see class descriptions for a detailed outline of each class 😊
- Classes highlighted in **GRAY** are required classes for our continuing Company dancers, and are also great options for dancers interested in our competitive Company! 😊
- Classes highlighted in **YELLOW** have pre-requisites – Back handspring class requires a backbend kick over by yourself / Aerial variations class requires a one handed cartwheel by yourself 😊
- Classes in **WHITE** are open to all dancers and great extra class options for competitive dancers and hopefuls 😊

- Summer classes are a 9 week session on Tuesdays and Wednesdays— beginning June 23rd and going through August 26th - with a 1 week break in the middle for Company Auditions on August 3rd – 6th , 2026.
- Please see the 2026 Summer Tuition Scale for pricing – Summer tuition is based on the normal fall / spring monthly tuition, but calculated for 9 weeks. It can be paid in full at enrollment, or broken down into 2 payments. First payment is due at the time of enrollment / 2nd payment is due by Wednesday, July 30th. Your dancers spot in class will not be reserved until your first payment is made 😊
- Veteran Movement Company Dancers are required to take 4 summer classes – Jazz Tech / Leaps and Turns (L&T / Ballet) / Flexibility / Combo during the summer. Required Company classes are highlighted in GRAY. Note – For Company dancers who do not tumble – you may use one of the extra L&T classes as your required L&T class. 😊
- The Summer schedule includes a few extra class options for Company dancers – Those classes that are optional are in white and would be in addition to the required classes if you choose to add those. 😊
- GROUPS (Petite / Junior / Preteen / Teen / Senior) stay the same for the Summer as they were for the Fall / Spring 2025-2026 season.
- For tumbling classes this summer, please speak to our tumbling instructors if you are unsure what works best for your tumbler.
- ALSO, if you would like to take classes in the older or younger class from yours, you are welcome to do that in the summer, as long as those class times do not interfere with your required group classes. If only a part of an older class interferes with your required class, you have the option to join that class for the time you are able.
- If you are interested in our Competitive Company or Pre-Company please speak to our instructors about the best options this summer!
